

COVENANT™

CHRISTIAN SCHOOL

Using God's gifts to inspire the world.

FAST FACTS

Covenant Christian School was founded in Aurora, IL in 1979 when a few Christian families made a covenant to establish a school for their children. They had four goals: a loving educational environment; a solid curriculum that aligned with Biblical principles; instruction on applying those principles in daily living; and, affordability.

Today CCS continues to uphold that covenant.

- Preschool–11th grade
- A member of ACTS (Association of Christian Teachers and Schools)

OUR MISSION:

Covenant Christian School is a Christ-centered, loving, educational community committed to inspiring children to excellence in character, scholarship, and leadership.

“Looking to Jesus, the author and finisher of our faith.” Hebrews 12:2

OUR GOVERNANCE AND WORLDVIEW:

Covenant Christian is a small, independent, board-governed, non-denominational Christian school, and a member of the Association of Christian Schools International.

Our curriculum upholds a Biblical Worldview, God's unique calling on every life, and that a transformed heart will make a difference in their life now, and in their future work in God's kingdom.

TESTIMONIAL

Covenant Christian School (CCS) said YES to our son in 2019 when no other private school would. Diagnosed with autism, dyslexia, and reading at a second-grade level after years in public school, we chose to have him begin fifth grade at CCS where they recognized that he had gifts equivalent to his challenges, and agreed to meet our needs. While by God's grace our need hasn't been financial, it has always been this: that our child grow in the knowledge of Christ in an environment that meets him where he is, challenges him with love, and nurtures his strengths. There is no other place like CCS. We are forever grateful for what CCS has given our son.
